MICROBAN

KalingaStone[®]
TERRAZZO, MARBLE & QUARTZ

*For the first time in India, exclusively
with Kalingastone Marble.*

To elevate the spectacular selection of Kalingastone Marble, we are proud to have Microban on board. As each surface is treated with special antibacterial properties and silver ion technology, it enhances the protection against bacterial growth.

ABOUT MICROBAN:

Microban is the world's leading antibacterial and odour-control ingredient brand. Part of the Microban International family of brands, Microban develops innovative technologies that facilitate the creation of cleaner, fresher and more durable product lines. Headquartered in the US, Microban has a global presence. They are deeply committed to conducting industry leading tests for new technologies.

Bacteria are adversaries to a healthy lifestyle.

It doubles in number every 20 minutes.

EXPLORE OVER 150 POSSIBILITIES.

The artistic brilliance of Kalingastone, an engineered Marble, Quartz and Terrazzo range, has helped bring visions to life across the globe. The design possibilities are limitless with an ethereal collection of over 150 designs and shades. Over the years, the brand has made its global presence prominent in 66 countries through its unmatched quality and its adherence to International standards.

Being awarded the 'Indian Power Brand' in the Marble and Stone category and 'Best Innovative Products' by Indian Institute of Architects, Mumbai in 2010, stands as a testimony to the superior artistry and pedigree of Kalingastone.

ENGINEERED BY CUTTING-EDGE TECHNOLOGY.

CMC has a 200,000 sq.m. state-of-the-art plant in Silvassa, which is one of the biggest production facilities in the country. It houses 4 separate factories which produce natural marble, engineered Marble, Quartz and Terrazzo.

The plant is equipped with world-class polishing machines from SIMEC (Italy) with 36 polishing heads and completely automated tiling.

The production capacity of the plant is 60,000 sq.ft per day for Marble & Terrazzo.

ENGINEERED WITH THE BEST INTEREST OF THE ENVIRONMENT AT HEART.

CMC was, has, and will always continue to do everything in its potential to ensure a healthier planet. What makes CMC a highly environmentally conscious company is its Go Green initiatives, optimum use of natural resources, the utilization of more than 90% of re-cycled materials and the continuous re-use of water from various different processes.

MARBLE COLLECTION

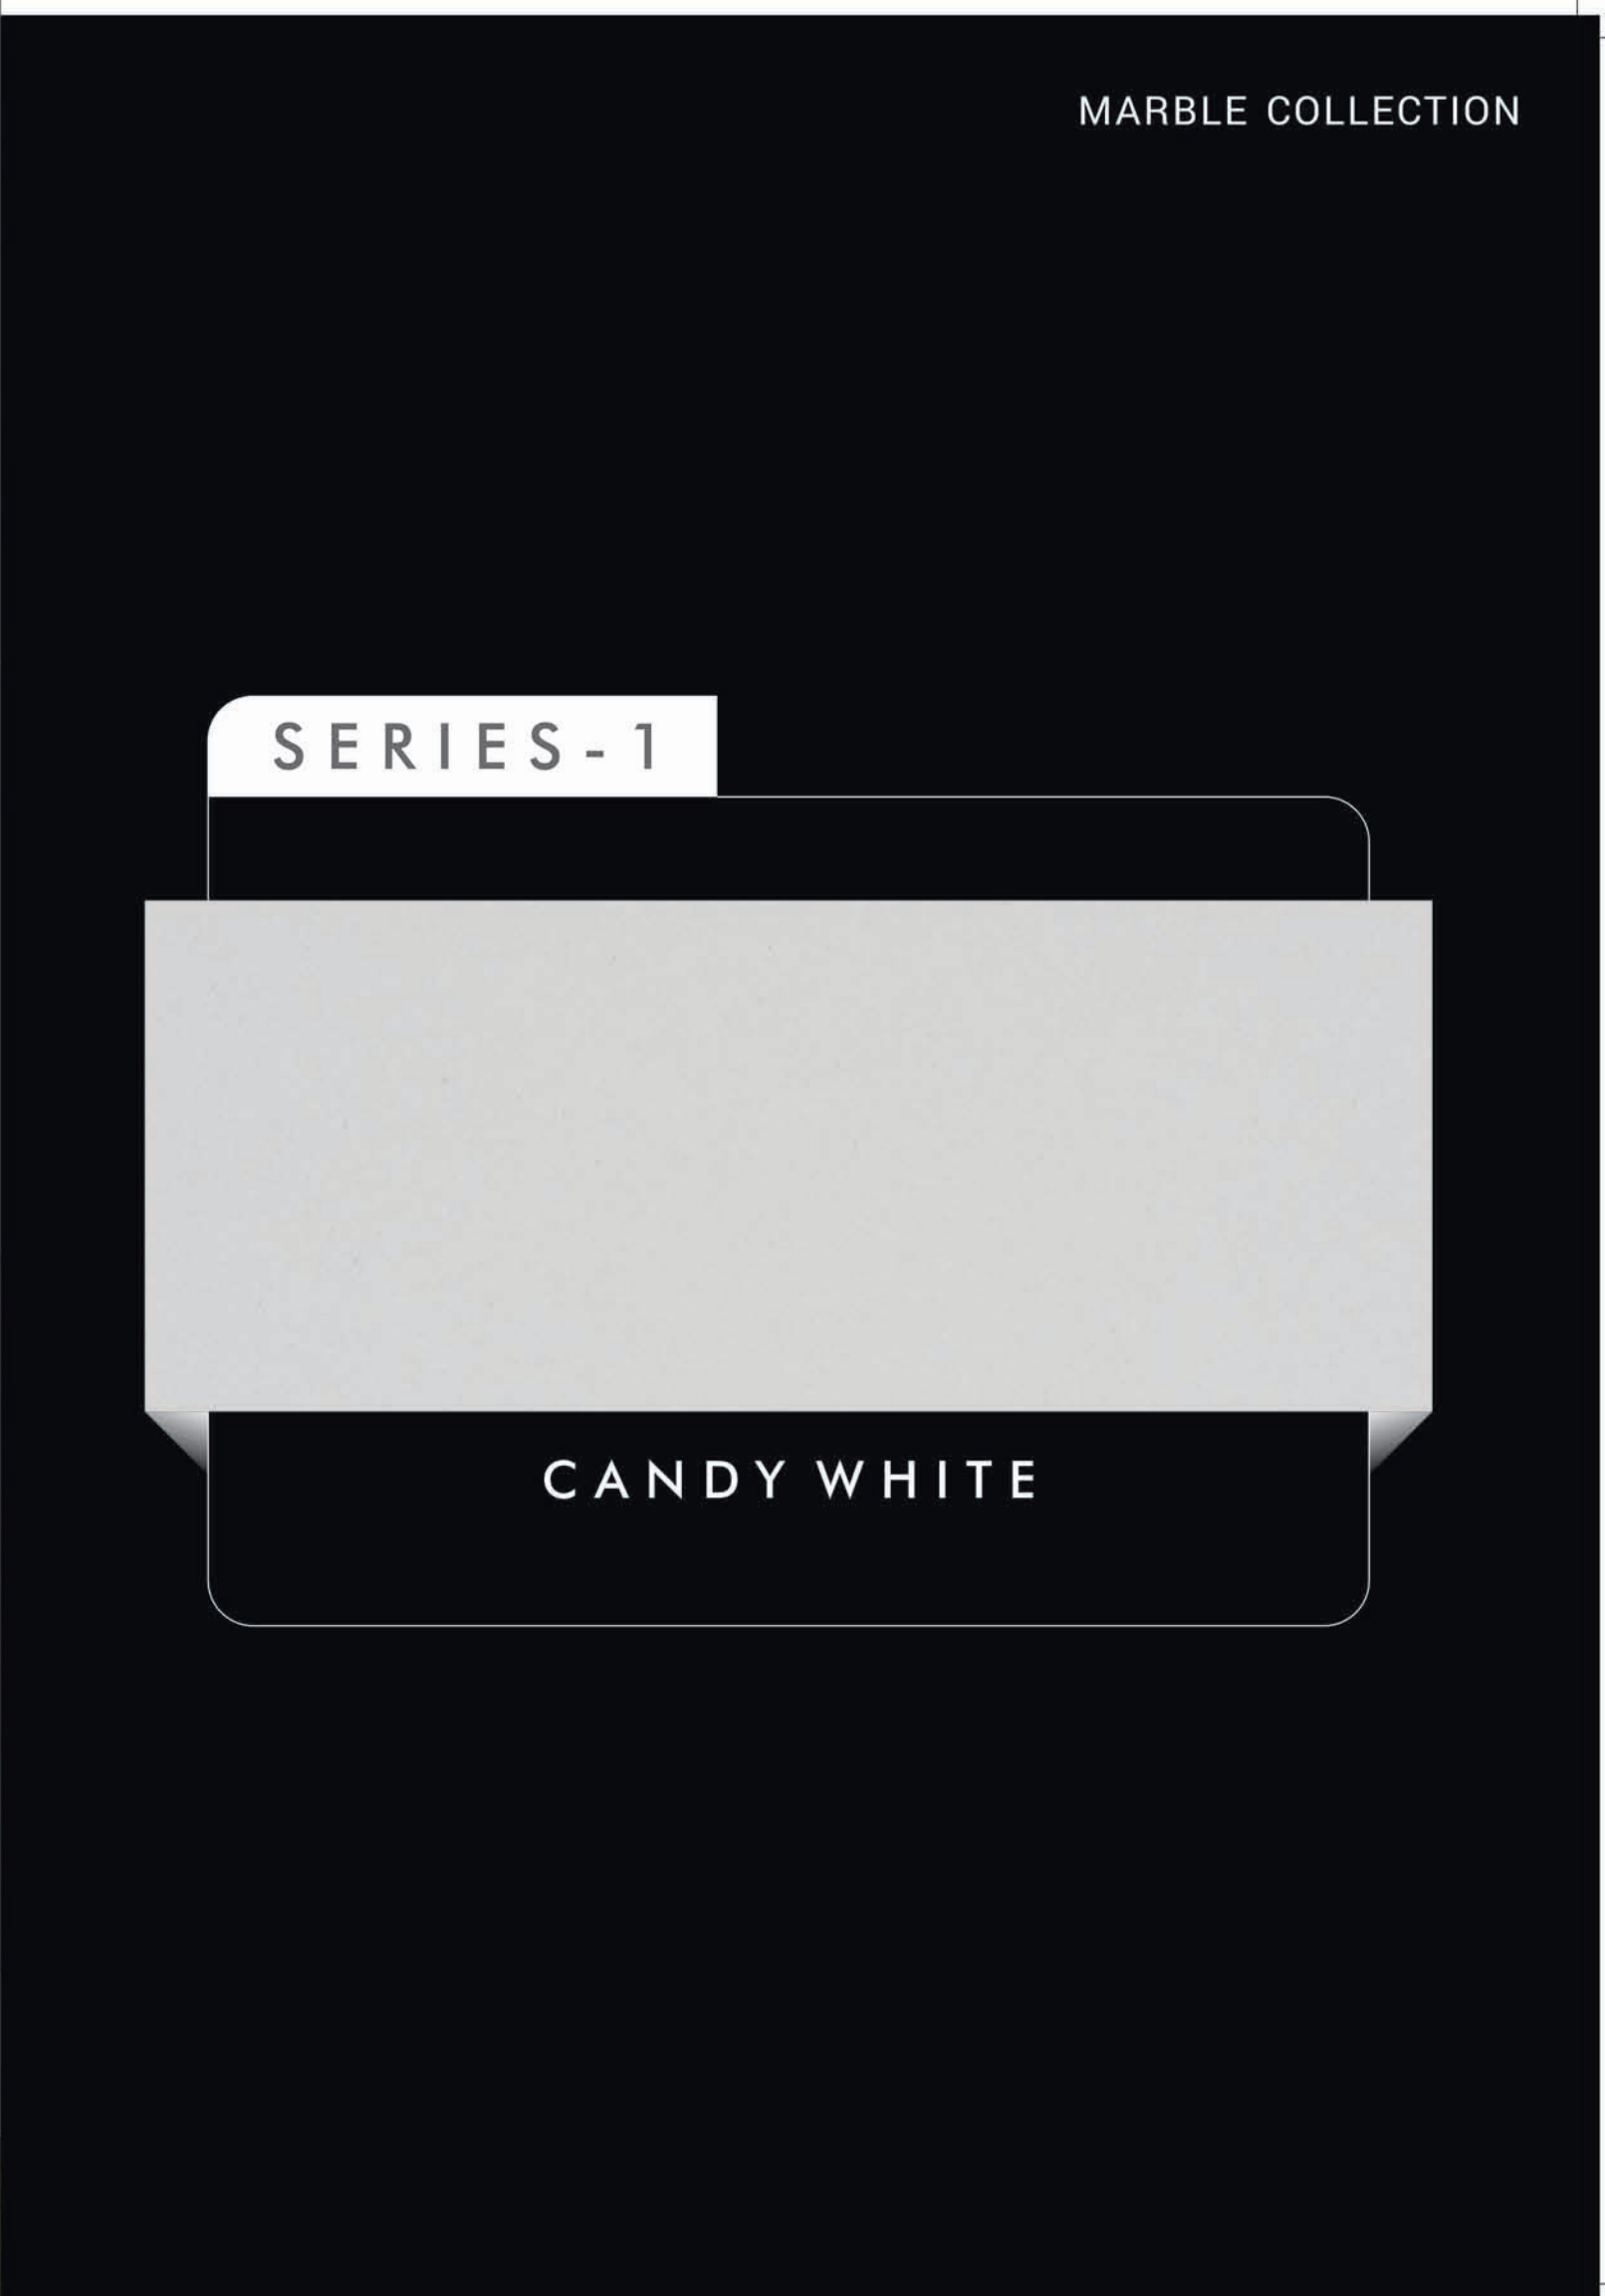

Globally known for its innovation and superior flawless quality which bring visions to life, Kalingastone Marble is a range of stones that speaks the language of opulence and panache to reflect true strength, high compaction and long lasting gloss value.
