QUARTZ COLLECTION

KalingaStone®
TERRAZZO, MARBLE & QUARTZ

A beautiful
ambience enhances the
beauty within.

A powder room is so much more. It's where one refreshes, thinks, relaxes and brings out their best version.

Kalingastone transforms your bathrooms, giving it better space, harmony and greater aesthetic designs.

The *larger*
the space, the grander
the statement.

Kalingastone brings to you beauty, durability and performance for large spaces like shopping malls, lobbies, ballrooms and more.

The *fonderest* moments are
shared with loved ones gathered
around a kitchen countertop.

We're adding safety, beauty and protection to it.
The Kalingastone Quartz collection is a testimony to beauty,
extraordinary protection and is a certified surface, safe for loving meals.

Food safe

Kalingastone Quartz is certified by NSF International as a safe and secure surface for food.

Resistant to stains & scratches

Our outstanding collection of Quartz is non-porous and has a low absorption rate of <0.05%, which is even lesser than Natural Granite, making them immune to stains and easy to maintain.

Impervious to heat

Remains resistant to heat and cold making them a perfect choice for your kitchen.

Homogeneous

A benchmarking consistency in the shade, thickness and texture is ensured.

Versatility of Application

The sophisticated nature of the product makes it suitable for all modern living settings.

EXPLORE OVER 150
Possibilities.

The artistic brilliance of Kalingastone, an engineered Marble, Quartz and Terrazzo range, has helped bring visions to life across the globe. The design possibilities are limitless with an ethereal collection of over 150 designs and shades. Over the years, the brand has made its global presence prominent in 66 countries through its unmatched quality and its adherence to International standards.

Being awarded the 'Indian Power Brand' in the Marble and Stone category and 'Best Innovative Products' by Indian Institute of Architects, Mumbai in 2010, stands as a testimony to the superior artistry and pedigree of Kalingastone.

Engineered

BY CUTTING-EDGE TECHNOLOGY.

The newest Kalingastone Quartz line is created using state-of-the-art technology featuring a fully automated production line, starting from feeding the raw material to the stacking of the finished slabs. The production facility, with an installed capacity of 80,000 sq.mt per month is capable of producing Quartz slabs in the 'superjumbo' dimensions of 3300 x 2000mm.

Engineered

WITH THE BEST INTEREST OF
THE ENVIRONMENT AT HEART.

CMC was, has, and will always continue to do everything in its potential to ensure a healthier planet. What makes CMC a highly environmentally conscious company is its Go Green initiatives, optimum use of natural resources, the utilization of more than 90% of re-cycled materials and the continuous re-use of water from various different processes.
